Subject: RE: Daily report for Sunday 7/1 Portland Harbor Pre-RD Investigation - Surface Sediment Sampling on the Cayuse and Methow

Howard and Scott,

I just got off the phone with Ken and was informed that they are behind schedule by quite a bit and would like to continue sampling with one boat on Monday and for the rest of next week. Please let me know whether we would be able to schedule oversight. I know this is a very short turn around, but he just got the word from his clients earlier today.

Thanks,

Davis Zhen, Manager

Subject: Daily report for Sunday 7/1 Portland Harbor Pre-RD Investigation - Surface Sediment Sampling on the Cayuse and Methow

Sean and Davis,

Attached are the daily reports for Sunday 7/1 which includes oversight of the surface sediment sampling at the upriver area on the research vessels Cayuse and Methow. This work will continue through the end of day 7/3. Please contact me if you have any questions.
